How we serve you

Mountain Medical Supply specializes in the DOL Worker's Compensation program and has been doing so since 2013. Our priority is always exceptional service!

Our team provides

EXPERTISE We understand the program's entitlements and can help address all of your DME and disposable supply needs

THOUGHTFUL CARE We coordinate closely with patients, families, case managers, and doctors to do our part in improving patient outcomes

CLAIMS HELP We navigate the claims process from start to finish gathering documentation and letters of medical necessity on your behalf

DEPENDABLE WARRANTY We stand behind our equipment and prioritize fast resolution if there is an issue

PROMPT DELIVERY We ship to your home, even before full authorization is received on many items

Here's what a few of our partners had to say...

"Mountain Medical has the best customer service! They are just a phone call or text away, respond so quickly, and supplies go out to the patients in a day or two. Couldn't ask for a better medical supply company."

Home Healthcare RN/CM
Aiken, SC

"Mountain Medical Supply staff go above and beyond to ensure my patients receive their needed supplies to live their most fulfilling life."

Home Healthcare RN/CM
Tri-Cities Area, WA

"I cannot say enough about Mountain Medical Supply. They always come through when I have an emergent need. The people are amazing and very attentive."

CM/Patient Scheduler
Las Vegas, NV

Pride Mobility Victory 9

Jazzy® Elite ES Portable

We have many power scooter options and colors available!

Contact your medical supply representative for details

Go-Go Elite Traveler

Jazzy® Carbon

* Items require prior authorization from the DOL

Power Lift Chairs*

The backrest reclines independently, allowing you to keep your feet or upper body raised while reclining to sleep, or sitting up if unexpected guests interrupt your afternoon nap.

The remote gives you control over the power headrest for neck and shoulder support, and lumbar control lets your body decide how much cushion your lower back needs.

VivaLift!® Tranquil - PLR-935

VivaLift!® Legacy - PLR-958

We have many lift chair options and colors available!

Contact your medical supply representative for details

Mattresses

Alternating Pressure and Low Air Loss Mattress System

- Active mattress replacement system provides both alternating pressure and low air loss to optimize pressure redistribution, shear/friction reduction, and microclimate control
- Designed to prevent, treat, and heal pressure ulcers in the home or long term care setting
- Control unit offers 10 minute cycles when alternating and can also be used in static mode

Foam Mattress

Provides superior pressure relief and comfort in four distinct areas:

- Head
- Shoulders
- Torso
- Lower Extremities
